

## The Rushes

### SUMMER ACTIVITY SCHEDULE 2020

June 19, 2020 thru Oct 1, 2020

Week 25 thru Week 39

Due to the social distancing guidelines, all activities have set limits of the number of people allowed in the Activity rooms. If possible, most activities will be held outside, on the deck by the firepit.

We have included in your check in packet a **Rushes Treasure Hunt** that the whole family can enjoy. Have fun on your adventure by finding the answers to the questions. Check your answers for a prize by the Wilderness Outpost.

We have two make and take projects that you can pick up from the front desk; make a **leather bracelet** or a **dream catcher**. A small **\$fee\$** is involved. These projects are also available as an Activity with Alicia.

There are also two talks that are on video and come with quizzes: **Lighthouses of Door County** and **The Flight of The Butterflies**. Again, these can be checked out from the front desk for your enjoyment. Both activities are free.

We hope you have a great week at The Rushes and we appreciate your understanding in these changing times.

Have fun and stay Safe! Alicia & Ray
